Dear Friends,

Many of you who are receiving this information are longtime friends and sponsors of the Cameron Lions Club and our annual Cameron Fishing Festival. Some of you are new to Cameron Parish or to our civic endeavors. Please know that we value all our partnerships and hope to retain these into the future. **This year's Cameron Fishing Festival is scheduled for August 5-6, 2022, at the Grand Chenier Park.**

The Cameron Lions Club continues to invest the proceeds of our annual Fishing Festival in the future of Cameron Parish by supporting the activities and education of our youth and our communities, including Cameron Parish Schools, the St. Nicholas Center for Children, the Cameron Parish Junior Livestock Show, the Louisiana Fur & Wildlife Festival, and the Louisiana Lions Camp for Children, as some examples. We also partner with Lions Club International to help prevent and mitigate vision and hearing deficiencies and aid in disaster recovery throughout the world. Lions Club members sponsor and assist in various civic projects and events to help promote our parish and in continuing efforts to revitalize our parish with a focus on long-term recovery and stability. Just this May, \$23,350 was awarded to our Cameron Parish youth in scholarships, academic and service awards, a tradition that has been ongoing for many years. For the second year consecutively, the Lions Club also donated \$5000 of unrestricted funds to each Cameron Parish School, for an injection of \$48,350 in educational pursuits. And this month, we are headed to the Louisiana Lions Camp for children with disabilities to provide a fish fry with all the trimmings and enjoy the opportunity to interact with them, an opportunity that has not been made available to us since 2018.

The financial support of our sponsors has resulted in highly successful festivals that have made possible generous donations to a variety of important activities. Additionally, we not only encourage our schools, churches, and non-profit organizations to set up booths and retain 100% of funds raised at the Cameron Fishing Festival, we also pay a stipend to each of these groups for their participation.

Again, it is the support of generous, like-minded sponsors who make our endeavors possible. **If your budget permits, please consider the 18<sup>th</sup> Annual Cameron Lions Club Fishing Festival as a project that you feel you can support.** Our sponsorship form is enclosed, as well as sponsor option specifics. We can invoice you or you can mail a check later. **To be included in the appropriate acknowledgment level, we would just need an emailed response by Friday, July 22, 2022, as noted on the accompanying form. Payment can be mailed at your convenience.**

We invite you to join us at our **Annual Captain's Night** for a complimentary meal, music, door prizes and reduced rates on fishing tickets on **Thursday, July 28, from 6:00 – 8:00 p.m., under the pavilion at Grand Chenier Park, 142 Jim Bonsall Road, Grand Chenier, Louisiana, 70643, then at the Festival on August 5-6, 2022, also at Grand Chenier Park.**
