Cameron FISHING FESTIVAL
CAMERON LIONS CLUB

AUCTION ITEM DONATION FORM

The Cameron Lions Club continues to invest the proceeds of our annual Fishing Festival in the future of Cameron Parish by supporting the activities and education of our youth, including Cameron Parish Schools, the St. Nicholas Center for Children, the Cameron Parish Junior Livestock Show, the Louisiana Lions Camp for Children, as well as the mission of the International Lions Club to help prevent and mitigate vision and hearing deficiencies, as well as assist in disaster recovery in Cameron Parish and throughout the world. Lions Club members assist in various civic projects and events that we sponsor to help promote our parish and in continuing efforts to revitalize our parish as we join others in focusing on long-term recovery and stability.

While our members spend countless volunteer hours in many of these endeavors, **Just this May, $31,500 was awarded to our Cameron Parish youth in scholarships, academic and service awards, a tradition that has been ongoing for many years. This year, the Lions Club also donated $5000 to each Cameron Parish School to spend as they wish, for a total of $25,000.** The financial support of our sponsors has resulted in highly successful festivals that have made possible generous donations to a variety of important activities**.** Additionally, we not only encourage our schools, churches and non-profit organizations to set up booths and raise funds at the Cameron Fishing Festival, we also pay a stipend to each of these groups for their participation.

Please consider donating an auction item of any type or value to enhance our silent and live auctions, held Friday and Saturday.

ITEM(S) DONATION INFORMATION
